NEW DESIGN

concepts

2023-2024

THE NDC *way*

New Design Concepts utilizes a 100% relationship-driven approach to business. For you, that means exclusive collaboration with a dedicated team whose job is to literally bring your vision to life, whether you're just looking for cabinets or in need of a complete collection of custom-curated furnishings.

As a partner in your success, we understand it's stressful managing uncertainty in the supply chain today. Late deliveries, tariffs, costs, and quality... These are just a few of the things we'll help manage for you, so you can focus on growing your business. That's the NDC way... and that's what makes what we have to offer undeniably unique!

PAINTED CABINETS

Pure White

This crisp, bright white color will help lighten up any space! It's the perfect color for creating a minimalist and clean design, and it pairs well with a wide variety of color schemes and home décor accents.

Proper Gray

This modern gray color offers versatility by being part of a neutral color palette, yet it still contains just the right amount of warmth. With the ability to be paired with so many materials and fixtures, you'll find yourself enjoying the inherent ease and innovation of Proper Gray!

Marine Blue

Adding a pop of color to a kitchen has never been easier! This attractive shade of blue will help accent many aspects of your design, and will give any home some extra flair without sacrificing functionality. This unique, rich color can also be used to make an island the focal point of the room.

STAINED CABINETS

Ideal Gray

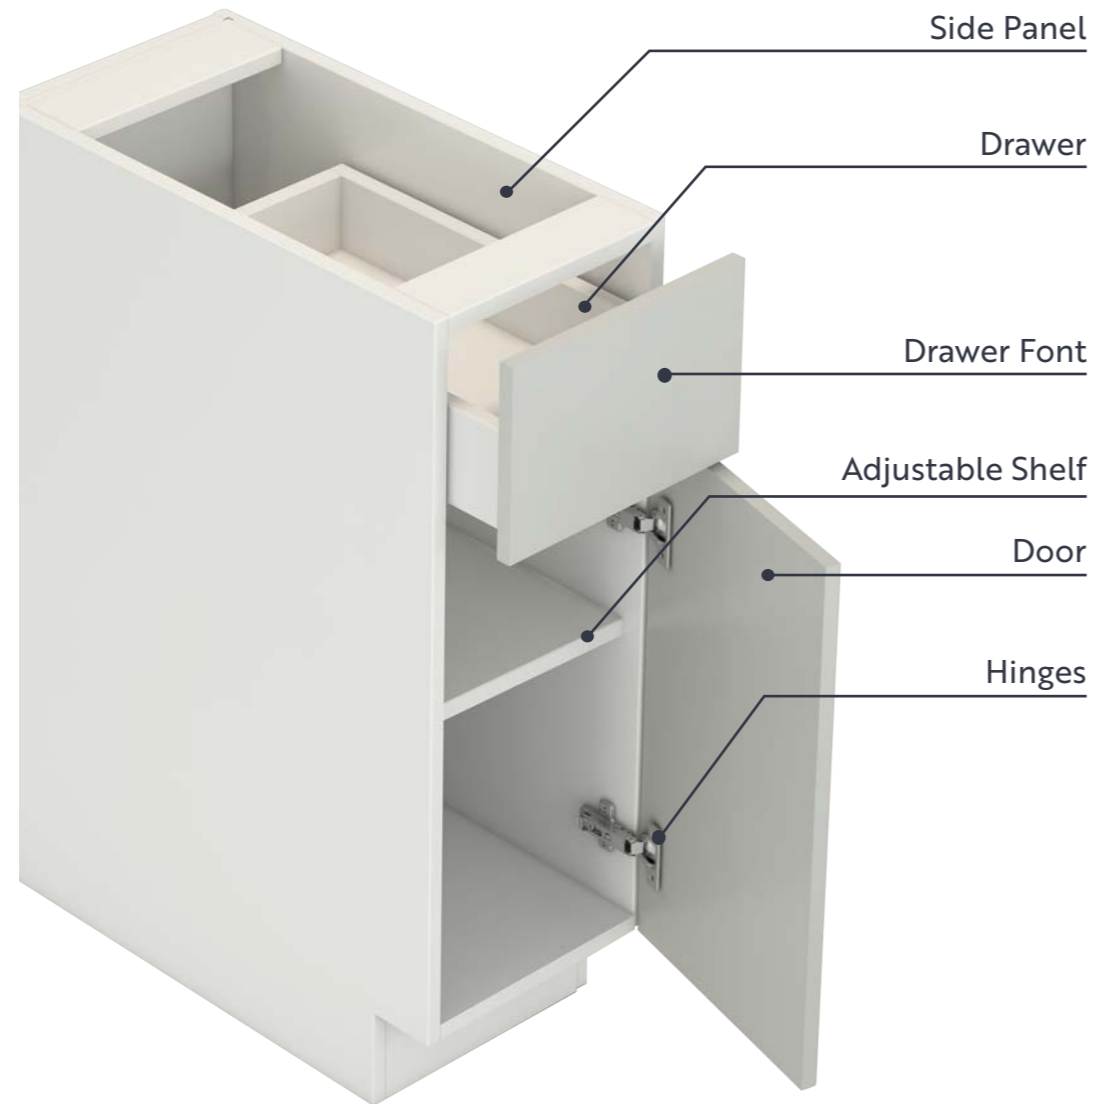

The sleek design and visible quality of our Gray stain can help add just the right touch of sophistication to any home! Convey a sense of ease, luxury, and style by pairing Ideal Gray with a light wall color, virtually any type of counter-top (almost any counter-top looks good with it!), and good lighting fixtures.

Wood Grain

Channel a more traditional and down-to-earth look with our Wood Grain stain! This light stain will accentuate the innate, rustic charm of the wood grain and can introduce a more natural vibe to any homeowner's kitchen or bath.

specification

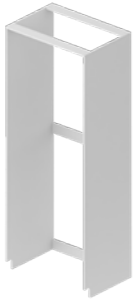

- Material** Carcasse: 15 -18mm MFC / MDF / Plywood CARB-P2
Door & Drawer front: 15 -18mm MFC / MDF / Plywood CARB-P2
- Finishing** Melamine, Laminate, Thermofoil, Acrylic, MDF, Plywood, Veneer, Lacquer wood, Stain
- Hardware** Slide: Ball bearing slide, Undermount slide, Metal box drawer.
Hinges: Full extension, Self-closing
Support Shelf: Drill on the shelf, Not drill on the shelf
Handle: Option 1, 2, 3 ... > Finish as requested
- Structure** Construction: Dowel & Glue, Dowel & Camlock, Dowel & Screw.
